Index rerum vol. 12

Absorption of d-xylose, 347
Aggressive behaviour and care, 49
Alzheimer's disease, 71, 129
Amylobarbitone as sedativum, 335
Anaemia, 339
Anaemia in elderly females, 18
Anaemia and Paget's disease, 93
Antibodies fixing complement, 186
Appendix, structure and iron content, 366
Amyloidosis and Alzheimer's disease, 129
Arteriosclerosis and complement fixing antibodies, 186
Arteriosclerosis and cyclandelate, 88
Arteriosclerosis and subarachnoid haemorrhage, 115
Arteriosclerosis and syncopal attacks, 229
Autoimmunity and Alzheimer's disease, 129

Barbiturates for sedation, 335
Beogex suppositories and constipation, 164
Beta/alpha lipoprotein index, 1
Bone, Paget's disease, 93, 241

Carbohydrate metabolism and hemiplegia, 99
Chromosomes and senile dementia, 71
Cerebral arteriosclerosis, 88, 115, 229
Cerebrovascular disease and cinnarizine, 297
Cerebrovascular insufficiency, 88
Cinnarizine in cerebrovascular disease, 297
Collagen and pituitary function, 65
Complement fixing antibodies, 186
Constipation, treatment of, 164
Cyclandelate and arteriosclerosis, 88

Dementia, senile, 71, 129
Dementia and disturbed behaviour, 49, 257, 267
Dementia and tranquillisers, 351
Dentine apposition, 360
Diazepam and muscle spasm, 168
Diploidicity and senile dementia, 71
Diverticulosis, jejunal, 80

Electrocardiography in the elderly, 193, 203, 321
Environment of nonagenarians, 175
Extrasystoles and electrocardiography, 193, 203, 321

Fibel für die praktische Geriatrie (B), 377
Fibrillation and electrocardiography, 193

Geriatric care, changes in the demand, 257, 267
Geriatrie, Fibel (B), 377
Glucose tolerance test and beta/alpha lipoprotein index, 1
Glucose tolerance test and hemiplegia, 99
Growth hormone and pituitary function, 65

Haematological study of elderly females, 18
Haematology and vitamin K, 10
Haemoglobin content in blood, 339
Haemorrhage, subarachnoid, in the elderly, 115
Heart murmurs, 275
Hemiplegia and glucose tolerance test, 99
Heparin andtibodies, 186
Heredopathia atactica polyneuritiformis, 219

Herpes zoster and diaphragmatic paralysis, 283
Hospital care and dementia, 49, 257, 267
Human aging and behaviour (B), 256
Hypopituitarism, 65

Immuno-cryourogenital treatment of prostate diseases, 302
Incontinence and care, 33, 288
Infections, venereal, 76
Iodine and pituitary function, 65
Iron content of the appendix, 366

Jejunal diverticulosis, 80

K, vitamin deficiency, 10

Lipid disorders and complement fixing antibodies, 186
Lipids in the serum, 1
Lipoprotein in the serum, 1
Locomotion and care, 33, 235, 257, 267, 288

Malabsorption, 347
Malabsorption and osteomalacia, 80
Mental capability and care, 33, 40, 49, 149, 219
Mental function and cerebrovascular insufficiency, 88
Mental manifestations and tachycardy, 203
Mobility and care, 33, 40, 257, 267, 288
Morbidity and anaemia, 18
Mortality and hospital care, 40
Muscle spasm and diazepam, 168
Myocardial infarction and electrocardiography, 193
Myocardium, 193, 203, 275

Neoplastic diseases and complement fixing antibodies, 186
Night care, need for, 33, 257, 267
Nonagenarians and environment, 175

Osteitis deformans, 93, 241
Osteomalacia and malabsorption, 80

Paget's disease and anaemia, 93, 241
Paralysis of the diaphragm and herpes zoster, 283
Physical illness and care, 33, 40, 49, 149, 288
Pituitary function in the elderly, 65
Practolol in treatment of cardiac arrhythmias, 321
Prostate diseases, treatment of, 302

Refsum's disease, 219
Rehabilitation and geriatric care, 33, 49, 257, 267
Restlessness and tranquillisers, 351
Rickets and jejunal diverticulosis, 80
Rigidity and diazepam, 168

Sensory receptors in skin, 213
Serum, complement fixing antibodies, 186
Serum lipids and beta/alpha lipoprotein index, 1
Skin and pricking pain threshold, 213
Skin thickness and pituitary function, 65
Social club within a hospital, 235
Social vulnerability and care, 33, 40, 219, 235, 257, 267
Spasticity and diazepam, 168
Structure and iron content of the appendix, 366
Syncopal attacks, 229
Systolic murmurs, 275

Tachycardy, 193, 203, 321
Tooth, dentine apposition, 360
Tranquillisers and restlessness, 351

Veneral infections, 76
Vitamin K deficiency, 10

d-Xylose absorption, 347
